Practice information

Registration:

To register yourself at our practice, please call us at 076 521 67 33, tell us you are looking for a family doctor and that you would like to register.

If you already have a general practitioner in the Netherlands, you must first inform him or her that you are transferring your registration.

When you come for your first appointment please bring a valid ID with you. The assistant will give you a registration form than, so you can register yourself at our practice.

Consultations:

Every working day you can call the practice between 8.00 and 10.00 o'clock am to make an appointment.

The assistant may ask you for the reason of the appointment. She is trained to do so, and does this to see if it is an emergency.

Costs of consultation:

If you have an European Insurance of a not specifically Dutch insurance, it is not possible for us to check in the system whether you are really insured or not. For that reason we ask you to pay the consult in cash, you get a bill from us so you can declare your money back at your insurance.

For a consult we ask € 29,30 , please bring that money **in cash** with you, we do not have an atm.

Telephone consultation:

Every working day between 13.30 and 14.00 o'clock the doctor has telephone consultations. You can use this when you for example have a short question or you want to get your test results .

Consultations assistant:

The assistant has her own daily consultations. You can make an appointment with her for measuring your blood pressure, wart removal, ear syringing , cervical smear, injections, urinalysis, remove stitches, secure wounds. You have to make an appointment for this.

Blood tests and x-rays

Please keep in mind that if you don't have a Dutch insurance that you also have to pay for blood tests and x-rays/ultrasounds. The bill of this tests will come to your address. Sometimes it is possible to get a refund from your insurance company, please contact your insurance for further information.

Medication

All, by us prescribed medication needs to be paid at the pharmacy. Sometimes it is possible to get a refund from your insurance company, please contact your insurance for further information.

Medical test

Our doctors are authorised to do medical tests. Please contact the practice for further information.

Prescription refills:

If you use chronic medication that we know of, you can call the line for prescription refills. Number : 076- 52 16 733. Press 2 to record your name, date of birth and what medication you need.

You can also fill in the form at our website: Brabantpark.praktijkinfo.nl.

Pay attention: Medication ordered before 10.00 in the morning, can be picked up at the pharmacy one working day later after 16.00 o'clock.

After 17.00 o'clock and in the weekend:

If you need a doctor after 17.00 o'clock or in the weekend for an emergency or an urgent problem that cannot wait until the next working day, you can call the Huisartsenpost Breda at Phone number: 076-525 85 00.

Complaints:

If you have tips or comments regard to our practice, please let us know. We can discuss the problem and look together for a solution.
